

Associate a Curriculum to a Class

<h2 style="color: #C00000;">Before You Start:</h2>	<p>A Curriculum is used to assign a group of courses to a Class. An example would be adding the entire SABT curriculum to everyone in a specific class.</p>
<p>1.</p>	<p>Select Learning from the main menu.</p> 
<p>2.</p>	<p>Select Classes from the left sub-menu.</p> 
<p>3.</p>	<p>Enter the Class ID and click Search.</p> 
<p>4.</p>	<p>Click the Edit icon next to the desired class.</p> 

Associate a Curriculum to a Class

<p>5.</p>	<p>In the Curriculum Field, Enter the Curriculum ID, either BCTG-PG-0004 for IOIBT or BCTG-PG-0006 for SABT.</p> <p><i>Tips: Curriculum IDs are case-sensitive.</i></p> <p><i>If you need a curriculum update, contact the Learning Management Branch.</i></p>	 <p>The screenshot shows the 'Edit the Class' form with tabs for Summary, Offerings, Register Rules, Users, and Custom Fields. The 'Curriculum' field is highlighted with an orange circle and the number 5. The selected value is 'BCTG-PG-0006'.</p>
<p>6.</p>	<p>Click Apply Changes at the bottom of the page to complete the assignment.</p>	 <p>The screenshot shows the 'Edit the Class' form with various fields filled out, including 'Domain: BASIC', 'Curriculum: BCTG-PG-0006', 'Max Size: (1000)', 'Start Date: 2/1/2011', and 'End Date: 9/29/2011'. The 'Apply Changes' button at the bottom right is circled in orange and labeled with the number 6.</p>
